vs.	§	NO: WA:19-CR-00212(1)-ADA
	§	
(1) SEAN MICHAEL TAYLOR	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On May 4, 2023 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) SEAN MICHAEL TAYLOR, which alleged that Taylor violated a condition of his supervised release and recommended that Taylor's supervised release be revoked (Clerk's Document No. 47). A warrant issued and Taylor was arrested. On May 15, 2023, Taylor appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set..

Taylor appeared before the magistrate judge on June 6, 2023, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on June 6, 2023, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the original offense and the intervening conduct of Taylor, the magistrate judge recommends that this court

revoke Taylor supervised release and that Taylor be sentenced to imprisonment for Fourteen (14) months, with a term of Thirty (30) months of supervised release to follow the term of imprisonment, continue with all original special conditions ordered; 180 days halfway house placement; to be followed by 180 days Home Confinement to include remote location monitoring use GPS tracking. (Clerk's Document No. 61).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On June 6, 2023, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 59). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 61) is hereby ACCEPTED AND ADOPTED by this court.

IT IS FURTHER ORDERED that Defendant (1) SEAN MICHAEL TAYLOR 's term of supervised release is hereby REVOKED.

IT IS FURTHER ORDERED that Defendant (1) SEAN MICHAEL TAYLOR be imprisoned for Fourteen (14) months with a term of supervised release of Thirty (30) months to follow the term of imprisonment, continue with all original special conditions ordered; 180 days halfway house placement; to be followed by 180 days Home Confinement to include remote location monitoring use GPS tracking.

Signed this 20th day of June, 2023.
